Don't Cry no Tears
I've been waiting for you
Love and only Love
Piece of Crap
Going Home
Hold you in my Arms
From Hank to Hendrix
Don't let it bring you down
Pocahontas
Long may you run
Only Love can break your Heart
Standing in the Light of Love
Gateway of Love

Hey Hey , My My
Like a Hurricane
Encore 1
Fuckin' up
Cinnamon Girl
Encore
Down by the River
Powderfinger
Rockin in the Free World
Roll another Number
